Our new and improved system will feature all of the essential tools you use today with friendlier navigation, enhanced security, NEW external transfers, a combined mobile banking app and more!

Important – Action Required:

To ensure a smooth first-time login on the new system, it is important that we have your current phone number on file. Please log into your account today to review and update this information.

Important Dates:

June 24 at 9:00 AM: Internet and Mobile Banking will be disabled.

June 24: Consumer Bill Pay will be available via our website. Click “LOG-IN” from the main menu, then Consumer Bill Pay. Business Bill Pay access won’t change.

June 25: The new Internet and Mobile Banking system will go live between 11:00 AM and 2:00 PM. Our new combined Mobile Banking app will replace the current consumer and business mobile apps. Just search for FNBBC in your app store.

QuickBooks® and Quicken® Web Connect will be available using the .QBO or .QFX downloads within Internet Banking.

June 27: QuickBooks and Quicken Direct Connect will be available. Search for FNB of Bosque County in the QuickBooks or Quicken Direct Connect banking link section.

Watch your email inbox!

Details about the upgrade including pre-upgrade action items, first-time login instructions, and new services will be communicated through email.
